

FISHER

ICE FREE

Ice Free is the Proud Distributor of the Fisher Brand of Salt Spreading and Snow Plows **FISHER ENGINEERING** is an American company based in Rockland Maine with a 70 year tradition in the salt spreading and snow plowing industry.

We are proud to have been appointed **SOLE AGENT** for **FISHER EQUIPMENT** throughout the **United Kingdom & Ireland**.

We are experts in our field with **over 30 years** experience so can advise you on the best equipment to meet your requirements.

The models available are from **0.35 , 0.7, 1.5, 2, 2.8, 4.5 & 6 Cubic Yard capacity**. All hoppers have the option of a Prewet tank system and Extension collars to fine tune your capacity Requirements. These can be bed mounted to a flat bed or pickup or fitted to a trailer. Dual electric models run from your Vehicles power supply with one simple plug and play Fleet Flex connection meaning the spreaders are easily interchangeable.

Trail Commander - The TRAILCOMMANDER™ 250 and TRAILCOMMANDER™ 600 provide up to 36" of spread width in a drop pattern so the salt stays exactly where your vehicle drives, protecting turf and sensitive surfaces bordering the paved area. And with three mounting systems, these units can fit on most UTVs, compact tractors, or wheel loaders to make quick work of sidewalks, walking paths, and other paved surfaces where truck equipment can't easily gain access.

Quoted prices apply to all orders placed by the **25th of July.**

All quoted prices are EX - WORKS.
